ORDER

The Court has received the parties' submissions filed in connection with an application for compassionate release pursuant to 28 U.S.C. section 3582(c)(1)(A) from Mr. Anibal Ramos. (See docket entry no. 384.) The Government filed its opposition papers on September 18, 2020. (See docket entry no. 391.) Separately, the Government sent to Chambers an email requesting permission to file the exhibits to its opposition papers under seal. The request is granted to the extent the Government requests to file medical records under seal. By October 13, 2020, the Government must file the remaining exhibits, consisting of a trial exhibit and a disciplinary history printout, on the public docket or make an application justifying any request for sealed filing or redaction of those materials.

On Friday October 2, 2020, counsel for defendant emailed Chambers a copy of the defendant's reply submission in lieu of filing it on the public docket, and requested that the document be filed under seal in light of the sensitive nature of the defendant's medical history referenced in the submission. The Court's August 25, 2020, order authorizes the parties to redact sensitive nonpublic medical and personal information from their submissions. (See docket entry

no. 385.) Defense counsel is directed to file a redacted copy of the reply submission on the public docket by **October 13, 2020**.

SO ORDERED.
